Gerard Caen
Member, RI Representatives to the United Nations & Other Organizations

Dear Gerard:

It is my sincere pleasure to congratulate you on your accomplishments this year. Your participation as a part of the RI Representatives to the United Nations & Other Organizations is greatly appreciated. I am grateful for your support and commitment to this important endeavour. This year we have worked together to help build a strong future for Rotary. The work you have done in 2009-10 will serve as a firm foundation for future activities.

You have committed your time and energy to the work of Rotary this year because like me, you believe in the future of Rotary. We all realize that it is essential for each of us as Rotarians, to do what is necessary to keep Rotary a growing and vibrant organization. Everything we do in our committees and resource groups contributes in meaningful ways to the future of Rotary and to our continued participation in thirty-three thousand communities in nearly every corner of the globe. Your dedication this year has demonstrated that you understand that *The Future of Rotary Is in Your Hands*.

We are all part of an organization with the capacity to do great deeds, the sense to do them wisely, and the strength of character to do them well. That is why I am asking you to continue to utilize your core values of leadership and service as you move into new roles and undertake new responsibilities. Continue to take pride each day in the decisions you make and the actions you take, because these choices are determining the course of Rotary for us all.

I thank you for your good work this year in making 2009-10 a special year for us all. As you look to the future, I ask you to continue to bring fresh ideas and enthusiasm to everything you do. For truly, *The Future of Rotary is in Your Hands!*

With kind regards,
